

# The Cambridge Companion to Postmodernism (Cambridge Companions to Literature)

*From Cambridge University Press*

Offering a comprehensive introduction to postmodernism, this Companion features examinations of the different aspects of postmodernist thought and culture that have had a significant effect on contemporary critical thought. Topics discussed by experts in the field include postmodernism's relation to modernity, and its significance and relevance to literature, film, law, philosophy, and modern cultural studies. Additional material includes a guide to further reading and a chronology.
