

Marvel Adventures Spider-Man Vol. 1: The Sinister Six

By Kity Fross, Erica David

What separates the super-villains from just plain old villains? When they escape from prison, regular villains might lay low for a while and enjoy the sweetness of freedom. But not a super-villain like Doctor Octopus - the minute he's free, he's gathering up the most dangerous crew ever assembled: the Vulture, Electro, Kraven the Hunter, Sandman, and Mysterio! And they've all got one thing on their minds: bringing down Spider-Man once and for all! Also, catch the story that started it all: the origin and Spider-Man! Plus: the return of the Human Torch! Collects Marvel Adventures Spider-Man #1-4.
