

You Are a Daughter of the King

By Gail M. Hayes

Your sense of style is not only the way you dress, but also your way of doing things and the way you process information. It is your very essence. God placed this sense of style in your spirit when He created you.

But many women suffer from anxiety and oppression regarding their unique style. Because we have difficulty accepting how precious we are, we all suffer. It's time to push back from the table of self-degradation, enter the royal banquet hall, and taste of a new feast. We have a royal heritage, and we can walk in the realm of the miraculous.

Review

"*You Are a Daughter of the King* is an exceptional and thought-provoking book, instilling in its readers tremendous personal value. Dr. Hayes exposes the fragile identities placed on women when characterized by mere outward appearance. Readers will find comfort in knowing, it's okay to be who God created you to be."
