

Elite Units of the U.S. Military: A photographic primer to special warfare and elite units of the U.S. military

By William Morgan

A photographic primer to special warfare and elite units of the U.S. military.

This Kindle book introduces the reader to the well-known and lesser-known elite military units within the United States Military. It is rich with content and high quality photography.

Highlights of this book:

Descriptions of sixteen elite units, including selection, training and mission.

Hundreds of high-quality photos unveiling the rigors of selection, training, and missions.

While well-known special warfare units (Navy SEALs, Green Berets, Marine Recon, and Army Rangers) are included in this book, it also introduces the reader to some of the lesser-known elite warriors like SARC corpsmen, Marine FAST (anti-terrorist) units, SEAL Delivery Vehicle (SDV) Teams, Marine Scout Snipers and other special warfare units.

This is an introduction for those who would like to know more about the elite forces that serve the United States.
