

Fervent (Condemned Series Book 3)

By Gemma James

I never imagined things could get worse, but they do. The men who took us show no mercy. They won't stop until they've destroyed Rafe for something he has no memory of, and I'm their weapon of choice.

Tortured and defiled, they make me wish I was back in that cabin where death was favorable to drawing another breath, but our captors can't break what's already broken.

What scares me is the madness I see festering inside Rafe.

I've taken his freedom, his career, his reputation, yet despite all I've done, he's determined to fight for me, kill for me, give everything he is for me. He'll even die for me.

FERVENT is a dark romance with disturbing themes and explicit content, including sexual scenes and violence that may offend some. Intended for mature audiences. Please begin with Torrent and Rampant before reading Fervent.

About the Author

Gemma James is a USA Today and Amazon bestselling author of a blend of genres, from new adult suspense to dark erotic romance. She loves to explore the darker side of human nature in her fiction, and she's morbidly curious about anything dark and edgy, from deviant sex to serial killers. Readers have described her stories as being "not for the faint of heart."

She warns you to heed their words! Her playground isn't full of rainbows and kittens, though she likes both. She lives in Oregon with her husband and their four children--three rambunctious UFC/wrestling-loving

boys and one girl who steals everyone's attention.
