

The Archaeology of Slavery and Plantation Life (Studies in Historical Archaeology)

By Theresa A Singleton

This volume represented a compilation of interdisciplinary research being done throughout the American South and the Caribbean by historians, archaeologists, architects, anthropologists, and other scholars on the topic of slavery and plantations. It synthesizes materials known through the 1980s and reports on key sites of excavation and survey in the Carolinas, Barbados, Louisiana and other locations. Contributors include many of the leading figures in historical archaeology.

editorial:

Review

“An excellent example of the kind of collaboration possible between the archaeological and historical disciplines... a notably coherent group of papers that allow historians to look in new and stimulating directions to analyze the past.” --Jeannette E. Stephens, *Journal of American History*

From the Inside Flap

This volume represented a compilation of interdisciplinary research being done throughout the American South and the Caribbean by historians, archaeologists, architects, anthropologists, and other scholars on the topic of slavery and plantations.
